

(1) To identify the patents, data, and other technical assistance to be provided to the second source by the primary source or any of his subcontractors,

(2) To identify any such patents and data in which, to the knowledge of the primary source, the Government may have rights, and

(3) To segregate the charges made to the second source for each such category or item of patents, data, and other technical assistance.

Reviewing personnel shall verify this information or, where the primary source does not furnish it, obtain such information from Governmental sources so far as practicable.

(g) The Department concerned shall make it clear that its approval of any agreement does not necessarily recognize the propriety of the charges or the amounts thereof, or constitute approval of any of the business arrangements in the agreement, unless the Department expressly intends by its approval to commit itself to the fairness and reasonableness of a particular charge or charges. In any event, a disclaimer should be made to charges or business terms not affecting any purchase made by or for the Government or by others with funds derived through the Military Assistance Program or otherwise through the Government.

227.676 Foreign patent interchange agreements.

(a) Patent interchange agreements between the United States and foreign governments provide for the use of patent rights, compensation, free licenses, and the establishment of committees to review and make recommendations on these matters. The agreements also may exempt the United States from royalty and other payments. The contracting officer shall ensure that royalty payments are consistent with patent interchange agreements.

(b) Assistance with patent rights and royalty payments in the United States European Command (USEUCOM) area of responsibility is available from HQ USEUCOM, ATTN: ECLA, Unit 30400, Box 1000, APO AE 09128; Telephone:

Subpart 227.70—Infringement Claims, Licenses, and Assignments

227.7000 Scope.

This subpart prescribes policy, procedures, and instructions for use of clauses with respect to processing licenses, assignments, and infringement claims.

227.7001 Policy.

Whenever a claim of infringement of privately owned rights in patented inventions or copyrighted works is asserted against any Department or Agency of the Department of Defense, all necessary steps shall be taken to investigate, and to settle administratively, deny, or otherwise dispose of such claim prior to suit against the United States. This subpart 227.70 does not apply to licenses or assignments acquired by the Department of Defense under the Patent Rights clauses.

227.7002 Statutes pertaining to administrative claims of infringement.

Statutes pertaining to administrative claims of infringement in the Department of Defense include the following: the Foreign Assistance Act of 1961, 22 U.S.C. 2356 (formerly the Mutual Security Acts of 1951 and 1954); the Invention Secrecy Act, 35 U.S.C. 181-188; 10 U.S.C. 2386; 28 U.S.C. 1498; and 35 U.S.C. 286.

227.7003 Claims for copyright infringement.

The procedures set forth herein will be followed, where applicable, in copyright infringement claims.

227.7004 Requirements for filing an administrative claim for patent infringement.

(a) A patent infringement claim for compensation, asserted against the United States under any of the applicable statutes cited in 227.7002, must be actually communicated to and received by a Department, agency, organization,
